**Subject: Revised sunshine law request regarding firefighter compliance with state minimum requirements**

Dear Dana,

Thank you for your response.

I find it intriguing that my previous request appears to have been met with resistance. This has only heightened my interest in the matter.

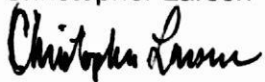

Accordingly, I am submitting a revised request as follows:

I am requesting access to all public records that are available for public viewing, which detail whether each fire personnel on staff has met the minimum qualifications required for firefighters.

Thank you for your attention to this matter.

Sincerely,

Christopher Larsen
