Request for records pursuant to Chapter 610 of the Revised Missouri Statutes

December 4, 2024

Carroll County E911
Communications Center
2 N. Folger Street
Carrollton, MO 64633

To whom it may concern,

I am requesting a complete list of calls that I've placed to 911 for the period beginning June 1, 2023 and ending December 1, 2024. For each call I made to 911 for help relating to fire, I need a copy of the recording of the calls. There are likely to be more than one call per incident - I would like all of the recordings.

Each record in the list needs to contain the following if possible;

- Date of the Call
- Nature of the Call
- Names of Parties
- Was anonymity requested?
- Was anonymity given?
- Disposition of the Call
- Internal, inter-departmental and inter-agency notes, instant messages, recordings of verbal communication relating to the calls that are not included in the recordings of the calls.

I look forward to your response.

Thanks & Kind Regards,

Christopher Larsen
