Re: Sunshine Law Request

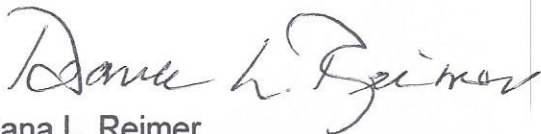

Dear Mr. Larsen:

The Town of Carrollton is in receipt of your "Formal Request Regarding Retaliatory Code Enforcement Actions, dated, Wednesday, December 11, 2024 via email and by certified mail at City Hall on Friday, December 13, 2024 entitled, "Reports For ALL calls for service relating to smoke complaints due to open and/or recreational fires". You further stated you were requesting reports of all calls for service made to either the Carrollton Fire Department or the Carrollton Police Department, pertaining to "smoke disturbances caused by recreational fire, an open fire or any other unspecified, intentionally ignited fire". Your request further encompassed for such calls of service beginning January 1, 2022 and ending December 11, 2024.

The Town is obligated to disclose any "public record" as defined in RSMo. 610.10(6). The Town has determined that the items requested should not be furnished without charge or at a reduced charge because there is no basis for finding that such waiver or reduction is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public government.

The Town will charge a minimum of a deposit of \$350.00 for the costs involved in researching this request for two departments responding to your request. This request is extensive spanning three (3) years and there will be at a minimum of twenty-four (24) hours of research and preparation of documentation. There will also be an additional charge of \$0.10 per copy for documentation produced. If you do not make the requested payment of the deposit of \$350.00 within ten (10) days, the Town will assume you are withdrawing your request. If you choose to make the deposit, the Town will proceed with your request and will also have a total for the cost of the copies.

Sincerely,

Dana L. Reimer
City Clerk
