Dana,

It appears that the certificates for Sensenich were issued in 2000, they are for Firefighter I and Firefighter II. They are supposed to be renewed periodically. Also, a fire chief is required to have the following certifications; Firefighter I, Firefighter II, Fire Officer I, Fire Instructor, and Fire Inspector certifications, but I only see the first two - which are 24 years out of date. Can you please provide current documents? If the documents are not available, please explain why.

Thanks,

Christopher Larsen
