Re: Sunshine Law Request

Dear Mr. Larsen:

The Town of Carrollton is in receipt of your Sunshine Law request which was received by City Hall on November 20, 2024 for copies of certain records. This request was forwarded to me. For future reference, your letter should have been addressed to me as the City Clerk who is the custodian of records.

The Town is obligated to disclose any "public record" as defined in RSMo. 610.10(6). The Town has determined that the items requested should not be furnished without charge or at a reduced charge because there is no basis for finding that such waiver or reduction is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public government.

In Paragraph "1" - *Complete Records and Documentation*, you requested all records including audio recordings, call logs, reports and internal communications, related to your calls to 911, the fire department, and the police department for both incidents on June 4, 2024 and November 15, 2024. You further requested all relevant communications between dispatch and responding personnel.

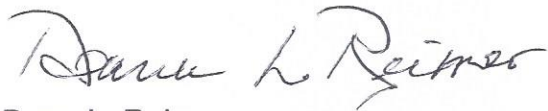

As previously related to you in my response to a prior Sunshine Law request, you will need to go through Carroll County 911 Dispatch for any information regarding your calls to Dispatch. The Police Department and Fire Department do not have access to how many times they took a call from you there.

The Town will provide you with the Police Reports and a video, as well as the Fire Department reports for the incidents dated June 4, 2024 and November 15, 2024. As to your request in Paragraph "7" - *Verification of Adherence to Missouri Requirements For*

Firefighters, a current list of the firefighters only will be provided to you. Their personal information is not released.

The Town will charge \$30.00 for the costs involved in responding to your request. The records in your request will be available at City Hall on Wednesday, November 27, 2024. The total fee of \$30.00 will need to be made payable to The Town of Carrollton and paid prior to City Hall releasing the documentation to you. If you do not make the requested payment within ten (10) days, the Town will assume you are withdrawing your request.

Sincerely,

A handwritten signature in cursive script that reads "Dana L. Reimer". The signature is written in black ink and is positioned above the typed name and title.

Dana L. Reimer
